

## RESOLUTIONS

OF THE

## LEGISLATURE OF CALIFORNIA,

IN FAVOR OF

*The establishment of a new land district in that State.*

MARCH 19, 1860.—Referred to the Committee on Public Lands, and ordered to be printed.

Whereas the land districts in the State of California, numbered 1 and 3, are oppressive and inconvenient to a large portion of the people living in said land districts, by reason of the distance to the land offices in said districts; and whereas it is necessary for such persons to pass over almost inaccessible mountains and through hostile tribes of Indians, or to make a circuitous and dangerous trip by sea to said land offices; and whereas a land district bounded on the north by the fifth standard north, on the east by land districts Nos. 2 and 4, on the south by the waters of the bay of San Francisco, and on the west by the Pacific ocean, is required for the convenience of the people thereof: Now therefore

*Be it resolved by the assembly, the senate concurring,* That our senators in Congress be instructed, and our representatives requested, to urge the passage of a law changing the said land districts, so as form a new land district with the above-described boundaries, or with such changes in the boundaries of said land districts as may meet the wants and convenience of the people thereof, and as shall seem most proper and advantageous.

*Resolved,* That the governor be requested to forward to our senators and representatives in Congress a copy of these resolutions.

PHIL. MOORE,  
*Speaker of the Assembly.*  
J. N. QUINN,  
*President of the Senate.*

Approved, February 9, A. D. 1860.
